## DRESS CODE IS IN EFFECT NOW

I hope this newsletter reaches you in good health and spirits. The weather this spring has been colder than normal, hoping May will bring warmer weather. I have learned that I can't control mother nature, I must leave that up to someone else. The golf course is in great shape, it has been nice to see so many members out using the club on nice days.

Please remember that our dress code is in effect for members and guests. Please remind your guests of the dress code before they arrive at the club. Denim is allowed in the clubhouse; however, denim is not permitted on the practice areas or on the golf course. Jim always has a wide variety of the newest golf apparel available in the golf shop.

Monday, May 13<sup>th</sup> the course will be closed all day for aerification of the greens. We will be doing a deep tine aerification, tines will penetrate 8" into the greens. This will help break up the hard pan that gets created under the putting surface and create better root growth and drainage. The greens will be top dressed and brushed afterwards.

Beginning Wednesday, May 8<sup>th</sup> and going thru September the kitchen will stay open until 8 p.m. on Wednesday evenings. If you haven't been out to try chef Monique's food, please come out for lunch Tuesday thru Sunday or dinner on Wednesday's. We will start Friday dinners on May 29<sup>th</sup> along with Friday night couple's golf. Please come out to enjoy this social fun event!

Welcome to all the new members and a big thanks to their sponsors! Please remember to pass along our membership info to any potential members. If you have a potential member, please let me know and I will be happy to contact them. I am looking forward to a great May at Twin Lakes. I wish all the mothers a happy and healthy Mother's Day!

## FIX YOUR BALLMARKS! HERE'S HOW!

In this month's newsletter, I would like to explain the importance of fixing ballmarks on your greens.

Fixing a ballmark takes less than 15 seconds to repair and will heal in 3-4 days. A ballmark not repaired will take two weeks to heal!

If 20 ballmarks are not repaired every day...that's a total of 140 ballmarks a week! That's 560 ballmarks a month! That's 3,360 ballmarks in a six month season! That's a lot of unrepaired ballmarks.

Everyone can do their part, and the benefits are shared by all.

See you on the course,

Your superintendent,

*Mike Seaton*

**“More than 123 million Americans consumed golf in some fashion last year, a reach that's up 14% over the past five years. This includes not only playing on a golf course or hitting balls at golf entertainment venues like Topgolf but also watching broadcasts of The Masters or streaming Netflix's popular Full Swing series.”**

The grounds crew is up early every morning getting your course ready for play no matter how foggy it is! Here is Jake Howell rolling the 3rd green after being mowed.

## Ladies Opening Day sees Good Weather and Good Turnout

Our Tuesday Ladies League finally got rewarded on their opening day after a few years of rain, cold, and poor weather. The 2024 edition saw warmer temperatures and clearer skies allowing for 5 teams to battle it out in a scramble. Diana Cremeans, Donna Threlkeld, and Mandy Bates took the 2024 title shooting a two-under-par 70! They beat out the teams of Donita Keidel, G.J. Darling, and Sara Kirkwood, and Donna Butke, Shelly Penny, and Leah Wilkins, who both shot 73s. Thank you to all who played, came to breakfast, and kicked off our Tuesday Ladies league ahead of a great 2024!

## Ladies Scramble has a runaway finish!

Our first Saturday Ladies event saw a beautiful Saturday and warm temperatures to begin our Saturday Ladies Tournament season! Our first event of the year was a four person scramble that had one of our largest fields in recent years with 30 ladies participating. Eight groups battled it out on the golf course, but one team proved to channel their inner Scottie Schefflers and Nelly Kordas and run away with the win. Abbey Rhodes, Betsy Eliason, G.J. Darling, and Jen Resler shot a seven-under-par 65 to take the title by six shots over the teams of Eiker/Kaufman/Redd/Dimaggio and McPherson/Rose/Rose/Threlkeld, who shot one-under-par 71s. Thank you to all the ladies who played and we look forward to seeing big fields for our ladies events in 2024!

## Record Setting Field for our First Men's Guest Day

Our First Men's Guest Day of the season was held on Wednesday, May 8<sup>th</sup>, and had a field of 120 players. Our Men's Guest Days are a best ball event with net and gross competitions. Our members have the opportunity to bring 1-3 guests and play on two-person teams with each guest. This year, our Gross winners were the teams of Frank Haig and Paul Nash, as well as Pete Holm and Michael Armstrong, who shot -1 71s. On the net side, Jeremy Rose and Brandon Medley shot a net 62, beating out the teams of Adam Zeckel/Matt Jackson and Jeremy Rose/Petr Julina by one. Be on the lookout for our next Men's Guest Day on Wednesday, June 12!

## Men's Opening Day A Success!

After having to reschedule Men's Opening Day from April 13<sup>th</sup> to April 20<sup>th</sup>, We had 100 players show up for our first Men's Event of the season! Players braved some, let's say, less than ideal temperatures and wind to kick off the 2024 tournament season. Jay Scanlon, Scott Dearing, Steve Johnson, and Bill Driehorst beat out three teams by one shot shooting a nine under par 63. The teams of Shepard/Lowe/Greene/Schuler, Mark Resler/White/Eckels/McNamar, and Cornish/Powell/Dean Lerg/Penny all took runner-up honors with eight under par 64s. Thank you to all who played and made our first tournament a success!

## Registering for Tournaments & Upcoming Events

We have a busy next couple weeks of events at Twin Lakes! On Saturday, May 18<sup>th</sup> is our Men's Member-Member. This event sees two-man teams play 6 holes of best ball, 6 holes of alternate shot, and 6 holes of scramble. Then, on June 1 and 2, our Men's Stroke Play championship is held. This is a 36-hole stroke play championship (18 holes each day) that is flighted. Finally, our next Ladies event is the Ladies Step-A-Side scramble. This scramble is similar to the one played on May 4<sup>th</sup>, however, in the Step-A-Side, the person whose shot was last used must step-a-side, and rely on the rest of the team for the next shot! When registering for these tournaments, or most tournaments in the future, you will need your Indiana Golf ID# and your Indiana Golf Password. Tournament registration will not accept your email associated with your Indiana Golf Account. If you need help finding your ID# or getting set up with an account, please contact Bradley and he'll help you out!
