## DON'T PUT YOUR CLUBS UP FOR THE WINTER YET

I hope this newsletter reaches you in good health and spirits! It is hard to believe it is already September. I was always told that time goes by faster as you get older and I am starting to believe it's true. However, this time of year is great golf weather; please remember there is a lot of the golf season left!

Please check out the event schedule to make sure you take advantage of the remaining events for the year. Wednesday, September 11th will be our last men's member-guest event. We will have a lunch buffet before and play will start with a 1 p.m. shotgun start. After play we will be having a Old Forester Bourbon and Korbel Champagne tasting. We will have appetizers as we are no longer serving dinner on Wednesday evenings. This event is open to all members and guests, so please come taste the great samples!

Congratulations to all our club champions this year. Both tournaments had good participation and great competition. Please check the website and calendar board for upcoming events. There are still lots of fun events to participate in.

As we begin to transition into the fall, please remember this is some of the best golf weather to enjoy. Some of the best fall scenic views can be seen right here at Twin Lakes. I greatly appreciate your continued support of your club, and I look forward to seeing you out enjoying your club!

Sincerely,

*Christian Brown, CCM*

## FAIRWAY CONVERSION PROJECT IS SEEING SUCCESS

Good news!! As of September 4, we are more than halfway through the fairway conversion project! Only seven fairways left to do.

Germination is visible on the first four fairways we have done. Thanks for your patience during this project!

September 16 we will begin the aerification of greens and tees, and the course will be closed all day so the grounds crew will be able to have it ready to go on the 17th.

Fall is coming, and if you're like me, it seems to be the best time to play golf. Come on out and enjoy the colors of the trees and enjoy your course.

Your superintendent,

*Mike Seaton*

*Oh, the cool things the maintenance staff sees when they are here so early in the morning. Here is what Golf Course Superintendent Mike Seaton captured one early morning with the crescent moon still out before sunrise.*

Check course conditions daily by visiting [www.twinlakesgolfclub.com](http://www.twinlakesgolfclub.com) Under the "Golf Course" tab.

Join our friends from Brown-Forman on September 11<sup>th</sup> at 5:00 PM following the Men's Member/Guest event for a bourbon and champagne tasting. Old Forester Bourbon was the first bottled bourbon to ensure quality and continuously produced and bottled before, during (for pharmaceutical purposed) and after prohibition. The range of bourbons to sample will appeal to the most discerning bourbon lovers. Old Forester's state of the art Urban Distillery is in the historic bourbon district in downtown Louisville, a must visit! Korbel California Champagne is the only sparkling wine outside the Champagne Region of France allowed to call themselves a Champagne. Produced in the *Method Champenoise* process, meaning fermentation takes place in the same bottle it is ultimately sold to and enjoyed by the consumer. Korbel is produced just north of Sonoma in the rolling hills of Guernerville, CA. Mark your calendars for this special event and enjoy appetizers prepared by Chef Cliff.

**TASTE YOUR WAY THROUGH HISTORY**

THE BOURBON'S CHANGED. OUR CONVICTION HASN'T.

In 1870, on the legendary Whiskey River in Louisville, Kentucky, our founder George Garvin Brown sealed the first bottle of Bourbon. Dedicated to the pursuit of quality, it is his vision and spirit that has carried Old Forester through history as the only bourbon continuously sold for all this time. With our Whiskey Rose series, we invite you to experience the history of our company, and the history of Bourbon itself.

## Golf Shop News

This past month has been a great month for golf! Men's, Senior's and Ladies club championships, the Fedex cup playoffs and the weather cooled off a little and gave us great golf days. Labor Day weekend was a very productive weekend. The rainstorms we got on Sunday put a little damper on the weekend but we saw all of you right back out here the next day. Thank you all for the patience through our aerification process. This will improve the conditions of the fairways and all it takes is a little patience and cooperation and you have all done fantastic so far!

## Men's Club Championship

### Youth dominance continues

In the championship finals we saw **Hank Riegner** pitted against **Andrew Baker**. The two individuals had a very steady match going through the first 30 holes and then fought back and forth on the final six holes of the second 18. Lots of birdies and no one able to hold a 1 up lead for more than one hole made for an exciting final stretch of holes. It eventually came down to the final hole in which **Hank** hit a great second shot setting himself up for an easy up and down for birdie which he converted. **Andrew** had a tough shot out of the trees with his third shot but was able to pull off a miraculous shot and get the ball on the green and give himself a birdie look but unfortunately was unable to convert the birdie putt making **Hank Riegner** our 2019 Club Champion.

Here is the list of the players that played excellent for 4 days and was able to capture the championship for their individual flights...

Jones Flight	Palmer Flight	Sarazen Flight	Trevino Flight
1st: Landon Toll	Michael Wagner	Scott Dearing	Joel Rose
2nd: Kevin McEuen	David Cremeans	Jim Dahl	Bob Green

## Ladies' Club Championship

### Whalen records course record 66 during final round of Ladies CC

The ladies club championship brought an extremely eventful 2nd day of golf from the championship flight with both of the competitors shooting their personal best rounds! **Aren Straiger** fired a personal best 75 to claim 2nd place in the Championship Flight. On Sunday **Nina Whalen** began her day with a bogey on #1, but from that point it was a birdie party. Over the remaining 17 holes Nina was bogey free with seven birdies including three birdies on her final three holes.
